Earbuds to stay in the computer lab. Please label a Ziploc bag with the students first and last name. Place earbuds in the bag; do not send in boxes or any other type of storage for the earbuds. Replacement nubs may accompany the earbuds in the Ziploc bag if so desired. Inexpensive earbuds may be found at Dollar Tree. It is very important to have your child test them out at home prior to bringing them to school. Please make sure they fit comfortably and they know how to place them in their ears. If your child has a medical issue that does not allow them to use earbuds you may replace them with headphones. Headphones will also need to fit in a Ziploc bag with the student’s first and last name labeled on the bag as well.

Please, no pens, mechanical pencils, hand-held pencil sharpeners, staplers, tape, or twisty style crayons or markers. There will be times during the year that your child will need to restock some supplies.

An Optional (wish) list is below, and any of these items is greatly appreciated, but not required.
