

Baldwin's Bulletin

To the Incoming Kindergarteners:

I can't wait to meet each one of you! This summer is a good time to get ready for kindergarten.

- You can practice dressing yourself (fastening your own pants, buttoning your own buttons, closing your belt and tucking in a shirt).
- You can practice writing your name (use a capital letter and then lowercase letters).
- Review the names of all the letters of the alphabet and their sounds (capital and lowercase).
- Each day spend 15 minutes reading with your mom and dad. It is fun to predict what will happen next in a story or to remember what happened first, next and last in a story after you read it.
- Ask your parents to read some of the Bible to you each day and pray with you about your kindergarten year.

Be sure to have fun and be ready for a fun year of Kindergarten in August!
