

**FIRST UNITED METHODIST SCHOOL  
PLEDGE OF SUPPORT**

The First United Methodist Church operates a private Christian school with a traditional, academically sound education, incorporating a Christian worldview in all subject areas. The School provides a loving, encouraging environment, administering discipline by positive reinforcement of good behavior and immediate firm action in the event of unacceptable behavior. Acceptance grants no right of continued enrollment during the term or for re-enrollment for any succeeding term. We will make every effort to accept and teach students as individuals; however, students who violate the policies and decisions of the staff and administration are liable to disciplinary action, which may take the form of a reprimand, "time-out" methods, loss of privileges, detention, suspension, or expulsion. Parents may be asked to come for a conference with the faculty and/or principal. Parents, teachers, and students should work together closely with regard to discipline.
